

Notes:

1. Contractors are advised to check all dimensions against the tree schedule. Tree symbols are symbolic only and are representative of the average spread. They may not represent the true outline. Note that the tree stem may not sit centrally in canopy. Tree stems are symbolic only and are representative of the tree category. This does not represent the stem diameter - see schedule for details.
2. The original of this drawing was produced in colour - a monochrome copy should not be relied upon.
